Dear Friend;

As I travel the district, I see how this recession has impacted our nation's veterans. In order to help put these veterans back to work, I am hosting a veteran's job fair on September 24th, 2011, at Volunteer State University's Pickel Field House from 9:00am-12:00pm. Please join me and other employers at this event, which will allow you to showcase your business to potential employees. **There is no cost to participate.**

This event will connect veterans with businesses that are hiring or plan to hire in the near future. There will be a diverse level of education and experience amongst attendees; no matter your need, there will likely be many qualified candidates for you to interact with.

Tables and chairs will be provided at no cost. You will have the opportunity to set up a booth to interact with potential job applicants and speak to them regarding your business and opportunities for employment. Please complete the attached registration from and return it to my office by 5 p.m. on September 9th, 2011, so that we can prepare adequate space for all attendees.
